

Notification of the Central Committee on the Price of Goods and Services

No. 1, B.E. 2564 (2021)

Regarding Determination of Additional Goods under Control¹

Whereas the Central Committee on the Price of Goods and Services, with the approval of the Council of Ministers, already issued the Notification of the Central Committee on the Price of Goods and Services No. 1, B.E. 2563 (2020) regarding Determination of Additional Goods under Control dated 4 February B.E. 2563 (2020) to prescribe 4 items of controlled goods, and the Notification of the Central Committee on the Price of Goods and Services No. 18, B.E. 2563 (2020) regarding Determination of Goods and Services under Control dated 1 July B.E. 2563 (2020) to prescribe 46 items of controlled goods and 5 items of controlled services.

Whereas the Notification of the Central Committee on the Price of Goods and Services No. 1, B.E. 2563 (2020) regarding Determination of Additional Goods under Control dated 4 February B.E. 2563 (2020) has enforcement only for one year. And the Central Committee on the Price of Goods and Services has already reconsidered the exercise of such power, it is of the view that there should be the maintenance of the four items of controlled goods in order to monitor and prevent the fixing of purchase price, distribution price or the imposition of conditions and trade practices in an unfair manner.

By virtue of Section 9 (1) and Section 24 of the Price of Goods and Services Act, B.E. 2542 (1999), the Central Committee on the Price of Goods and Services, with the approval of the Council of Ministers, therefore issues this Notification, as follows.

Article 1. This Notification shall come into force for the period of one year as from the 4th Day of February B.E. 2564 (2021) except for there being the issuance of a new notification.
