

Notification of the Central Committee on the Price of Goods and Services

No. 50, B.E. 2562 (2019)

Regarding Display of Price of Goods and Services

Whereas the Central Committee on the Price of Goods and Services has issued the Notification of the Central Committee on the Price of Goods and Services No. 50, B.E. 2561 (2018) regarding Display of Price of Goods and Services dated 23 January B.E. 2561 (2018) in order to protect a consumer to have an opportunity to make a comparison of price of goods or services before making a decision to buy goods or services.

Whereas the Central Committee on the Price of Goods and Services has already reconsidered the measure on the display of price of goods and services, it is of the view that the measure requiring display of price of goods and services should be maintained.

By virtue of Section 9 (5) and Section 28 of the Price of Goods and Services Act, B.E. 2542 (1999), the Central Committee on the Price of Goods and Services has therefore issued this Notification, as follows.

Article 1. This Notification shall come into force in all areas of the Kingdom as from the day following the date of its publication.

Article 2. The Notification of the Central Committee on the Price of Goods and Services No. 50, B.E. 2561 (2018) regarding the Display of Price of Goods and Services dated 23 January B.E. 2561 (2018) shall be repealed.

Article 3. A distributor shall have to display the retail price of goods pursuant to the List No. A as attached to this Notification.

The provision as specified in paragraph one shall not be applicable to the distributor who distributes goods by peddling from place to place, which is not peddling by making use of a motor vehicle.

Article 4. A service provider shall have to display the price of services pursuant to the List No. B as attached to this Notification.

Article 5. The display of the retail price of goods or services as provided under Article 3 or Article 4 shall be made by writing, printing or making appearance by other methods on paper, wood, mirror, wall or any other material. Such display shall be made at the goods as distributed or the place of services or the nearby area of such goods.

DISCLAIMER: THIS TEXT HAS BEEN PROVIDED FOR EDUCATIONAL/COMPREHENSION PURPOSES AND CONTAINS NO LEGAL AUTHORITY, THE DEPARTMENT OF INTERNAL TRADE SHALL ASSUME NO RESPONSIBILITY FOR ANY LIABILITIES ARISING FROM THE USE AND/OR REFERENCE OF THIS TEXT. THE ORIGINAL THAI TEXT AS FORMERLY ADOPTED AND PUBLISHED SHALL IN ALL EVENTS REMAIN THE SOLE AUTHORITY HAVING LEGAL FORCE.

The display of the retail price of goods or services as provided shall be made in the form of the price per unit, regardless of whether there are figures of any language or not in the retail price of goods or services; however, there must be Arabic figure in the price in the manner of being clear and disclosed, in capable of being easily read. The contents or items to be displayed concurrently with the price of distribution or that of services must be made in Thai language, regardless of whether there are other foreign languages or not.

Article 6. In displaying the retail price of goods by the goods distributors in numbers 188, 189, 192 and 193 under the attached List No. A to this Notification, which is distributed at the fuel oil service station having a fuel oil meter as installed regularly under the law on weights and measures, the display of the price number in the high size of not lower than fifteen centimeters in front of the service station shall be required. In addition, the display of such distribution price shall be made in line with the price as specified at a fuel oil meter.

Article 7. In displaying the retail price of goods by the goods distributors in numbers 197, 214 and 215 under the attached List No. A to this Notification, the display of the retail price of goods under Article 3 shall be required concurrently with the display of goods items, the size, the weight per unit, the packing quantity and the price of goods in each item, which is packed in a basket of gift, a basket of articles suitable for alms, or a basket of offerings, including the package price. The item and price of the aforesaid goods shall be displayed in the letter size and the number size of FONT 16 upward or in the equal size.

Article 8. In a case where the display of the retail price of goods or services as provided shall not be made at the goods as distributed or the place of services or the nearby area of such goods due to the state of goods and services, the making of the list of goods or services items is required concurrently with the display of the retail price of goods or services as provided, provided that the provision as specified in Article 5 shall be applied to the making of the list of the retail price of goods or services as provided, *mutatis mutandis*. This shall be made at the disclosed place in which a consumer can see.

Article 9. In a case of there being the charge of other expenses in addition to the retail price of goods or services as provided as displayed under Article 3, Article 4 or Article 7, the distributor or the service provider shall have to clearly and completely display such expenses. Such display shall be made concurrently with that of the retail price of goods or services as provided.

Article 10. In a case where the goods that a producer or an importer into the Kingdom has printed or displayed the price at the label, package, wrapping of the goods or on such goods,

if the distributor who has an intention to distribute the goods at such price, he/she is not required to display the new price of distribution. This shall be also deemed that the distributor has already displayed the retail price under Article 3. Nevertheless, if the distributor wishes to distribute at the price which is different from that which the producer or the importer into the Kingdom has already printed or displayed, he/she is required to display the new retail price of distribution under Article 3.

Article 11. The display of the retail price of goods or services as provided under Article 3, Article 4, Article 7 or Article 10 shall be made in line with the price of goods as distributed or the price of services as provided.

The provision as specified in paragraph one shall not be applicable to a case where the distributor who distributes goods or the service provider who provides services to a customer at the price lower than the retail price of goods or services as displayed.
