

Notification of the Central Committee on the Price of Goods and Services

No. 64, B.E. 2564 (2021)

Regarding Additional Control of Exportation of Hygienic Mask out of the Kingdom¹

Whereas the Central Committee on the Price of Goods and Services already issued the Notification of the Central Committee on the Price of Goods and Services No. 2, B.E. 2564 (2021) regarding Control of Exportation of Hygienic Mask out of the Kingdom dated 4th February B.E. 2564 (2021), prescribing that a person is prohibited from exporting the hygienic mask out of the Kingdom, except for obtaining a letter of permission from the Secretary-General as suggested by the Subcommittee to Integrate Supplies Management for Prevention, Control or Cure for Communicable Disease Coronavirus 2019 (COVID-19) as set up by the Committee on the Administration of the Situation due to the Outbreak of Communicable Disease Coronavirus 2019 (COVID-19).

Whereas the Committee on the Administration of the Situation due to the Outbreak of Communicable Disease Coronavirus 2019 (COVID-19) issued an order to repeal the Order of the Committee on the Administration of the Situation due to the Outbreak of Communicable Disease Coronavirus 2019 (COVID-19) No. 1/2563 regarding Appointment of the Subcommittee to Integrate Supplies Management for Prevention, Control or Cure for Communicable Disease Coronavirus 2019 (COVID-19) dated 1st April B.E. 2563 (2020) resulting in there being no continuity in the process for the Secretary-General's consideration for issuing a letter of permission for exporting the hygienic mask out of the Kingdom. Subsequently, the Central Committee on the Price of Goods and Services passed the resolution on 2nd December B.E. 2564 (2021), reconsidering a measure to control the exportation of the hygienic mask out of the Kingdom by prescribing that the Secretary-General shall be the person who considers granting permission for exporting the hygienic mask out of the Kingdom in order that there shall be continuity in the measure to control the exportation of the hygienic mask out of the Kingdom.

By virtue of Section 9 (2) and Section 25 (3), (4) of the Price of Goods and Services Act, B.E. 2542 (1999), the Central Committee on the Price of Goods and Services therefore issues this Notification, as follows.
